

# Classic Model 56 7mmRM

The Classic is simply that, it's our Classic or more traditional stock style. The Classics are lighter weight and have a more traditional balance. Rim-fire Classics weigh 5.75 to 6.25 lbs depending upon wood density. All other Models in Classics weigh in at 6.25 to 7.75 lbs. All carry our same accuracy guarantee and are crafted from selected AA claro walnut.
