

CONQUEST SCOPES

The robust, one-piece tube bodies of Conquest riflescopes are built to stand up to the most abusive recoil and demanding terrains. Designed to meet the needs of every hunting style and scenario, Conquest scopes excel in whatever situation presents itself. Available with a variety of reticles, including RAPID-Z®, Conquest scopes feature Zeiss MC coating for enhanced light transmission, anodized finishes, and are waterproof, dust proof, and nitrogen filled to prevent fogging.

CONQUEST 3-9X40
